Amy –

Please find attached a final draft response to Mayor of San Francisco Mike Farrell on Hunters Point. This version incorporates a few edits from Superfund prior to my sending to you. I am out of the office on Friday on CDO and ending work for today as today is my 8-hour workday. If the letter changes with any further review in Superfund, they can provide you with an updated version. Please let me know if you have any suggested revisions/edits and I can print out for you on EPA blue letterhead when I return to the office on Monday for you to take with you for Mike's final review and signature. I have attached the incoming letter for your reference.
